

YCS Rec Camp Sunscreen Policy

1. We **do not** provide sunscreen for participants as it is a medication and some participants may have allergies to some ingredients in certain sunscreens. Each participant needs to bring his or her own. If a camper does not have their own sunscreen they will not be allowed to participate in outside activities.
2. Participants should arrive at programs with a thick base coat of sunscreen already applied, especially in hard to reach areas, such as their backs.
3. Staff will remind participants regularly to reapply sunscreen every 2 hours: 10 am, 12 pm and 2 pm.
4. We encourage campers to wear hats to protect their heads and shirts to protect their backs. This is especially important if your child has sun sensitivities.
