# PUBLIC MEETING

**Wednesday, February 6, 2019**  
**Town Hall, Community Room**  
**6:00-7:00pm**

### **Riverfront Woods Preserve:** **Interim Management Plan**

*The PLC is creating an Interim Management Plan for the property to be known as Riverfront Woods Preserve. This Preserve will be made up of three properties: the town-owned Barker Preserve, an Open Space Lot on the Riverboat Subdivision, and property adjacent to Barker Preserve that will be purchased from Steven and Greg Dugas.*

*We will briefly review the property and offer the public a chance to contribute to the property's role in our community; maintenance and enhancement guidelines; and the allowed uses and activities within the park.*

*A draft version of this plan can be found at [www.YarmouthCommunityServices.org](http://www.YarmouthCommunityServices.org) or by links on the Town's website: [www.yarmouth.me.us](http://www.yarmouth.me.us)*

*We encourage all interested Yarmouth residents to share their opinions and concerns at this public meeting. The PLC is interested in hearing your views and sharing how Riverfront Woods Preserve meets the goals of our community's green spaces and open space plans.*

*Please join us for this important event— we welcome your ideas and recommendations. Community input is critical to creating a management plan that reflects the needs of Yarmouth residents. Riverfront Woods Preserve will be a beautiful and vital resource for our town.*

Patrons who are unable to attend may direct written comments to the Yarmouth Community Services Dept. via email or in-person. Comments will not be read aloud but copies will be provided at this meeting.
