Bread & Roses Art Collective / Land & Sea

Bread & Roses Art Collective moves to Camp Soci on Cousins Island where one indoor and four outdoor classrooms provides a week of magic and fun. We will explore geology, plants, tides and forest "wildplay" as friends curate and respect our precious public land. Handmade field guides, collages, paintings, printmaking, digging and building landscapes with marine clay, tidal earthworks, inuksuks and eco-message rafts and boats are just some of the unique and fun happenings.

Experience the famous Soci Mud Spa, The Tale of Lightning Rock, The Listening Tree, 72 Step Beach, Soundstage and an Ice Age Encampment. Counselors provide fun and games at breaks throughout the day.

- **DROP OFF: 9:00 am** Ms. Kat and counselors will meet children at Sandy Point Beach Parking Lot on the left (after crossing the Cousins Island bridge), near West Side Trail entrance, beneath the crabapple tree!
- **PICK UP: 3pm** - Pick up will be in same spot as drop off. Please meet children under the crabapple tree where we will have our end of day circle. Please do not take campers from the walking line in parking lot as there can be high traffic volume.
