## YCS Clipper Care Programs

Yarmouth Community Services (YCS) is pleased to provide child care programs for Yarmouth families. The Yarmouth Elementary School (YES Care) program is a before-school care program for children in grades K-5 and an after-school program for children in grades 2-5. The Rowe School program is an after-school care program for children in grades K-1.

Our child care programs are designed to meet the needs of parents and guardians during the before and after school hours. The child care program encompasses a variety of activities from homework time to arts and crafts, games and outdoor play. We are very excited to offer a fun, safe and enriching program for child during the time they are in our care.

Our child care programs follow the school calendar; accordingly, the program and care are available when school is in session. Our child care programs are not open on snow days, staff in-service or flex days and during school vacation weeks, however YCS does provide many other types of programs during school and summer vacations that children are sure to enjoy.

Join us for the Annual Yarmouth Roadside Cleanup Event!

Let's meet up and pitch in!

Sunday April 30

Clean-up from 1:00 - 3:00 PM.

Registering in advance is deeply appreciated (not required) so we can supply enough snacks, garbage bags and any safety gear you do not own.
