Light Up Yarmouth

DECEMBER 1 THRU DECEMBER 31

Since 2020, Yarmouth Community Services' Light Up Yarmouth event brought LIGHT to Yarmouth throughout December – what a better way to do it than through our residents, local organizations, and businesses!

Yarmouth Community Services is, again, looking for partners to decorate homes, businesses, organizations, churches, banks, and other shops with some type of lights (colors of your choosing).

For participating homeowners, businesses, and organizations: Decorate your location with lights (and whatever else fancies you!) and participate as part of our "drivable event" in December.

Bring LIGHT to Yarmouth by lighting your place from Dec. 1 through Dec. 31. Go as big or as small as you'd like – any type of lights or lighting will help Yarmouth shine.

Register your address by November 19th with YCS so they can add it to a "drivable" map by December 1st.

For more information or to participate, please call (207) 846-2406.

YCS Clipper Care Programs

Yarmouth Community Services (YCS) is pleased to provide child care programs for Yarmouth families. The Yarmouth Elementary School (YES Care) program is a before-school care program for children in grades K-5 and an after-school program for children in grades 2-5. The Rowe School program is an after-school care program for children in grades K-1.

Our child care programs are designed to meet the needs of parents and guardians during the before and after school hours. The child care program encompasses a variety of activities from homework time to arts and crafts, games and outdoor play. We are very excited to offer a fun, safe and enriching program for child during the time they are in our care.

Our child care programs follow the school calendar; accordingly, the program and care are available when school is in session. Our child care programs are not open on snow days, staff in-service or flex days and during school vacation weeks, however YCS does provide many other types of programs during school and summer vacations that children are sure to enjoy.
